All work must be paid for before the boat leaves the Marina. For certain material orders or service work the service center may request a deposit. For all work performed by WMS personnel there is an additional 3% charge for shop supplies which includes an environmental charge. **For Commercial vessels, there is a 15% surcharge. This is for compliance with the Federal Statutory Coverage US Longshore and Harbor Workers.**

*For Haul/Block/Launch, if your boat has splash rails, there will be an additional charge of 2.00 per foot. **For Power or Pressure washing, WMS will **NOT** be responsible for the amount of ablative paint that we remove in trying to clean bottoms. We are sensitive to the owner's wishes but do not guarantee any specific amount of paint being removed or paint remaining.

On land storage work space rate is \$4.00 per foot per day or a \$8.00 a foot per week for Do It Yourself (DIY) customers.

On land storage long term rate is \$6.00 per foot per month for the 3610 River Rd location. In addition, there is a \$100 fee for blocking and stands.

On land storage for the 3410 River Rd. location—**when available as space is limited**—the rate is \$12 per foot plus \$50 per month for utilities.

DIY owners must have an executed lease agreement in order to stay on the grounds. Owners must provide evidence of insurance to cover their vessel and potential damage to other property in the Marina.

Subcontractors working in the Marina must provide evidence of liability insurance, worker's compensation insurance and sign a form agreeing to yard practices. There is a daily fee (\$40.00) for subcontractors working at the Marina. See the WMS office personnel for more information.

Rates are subject to change or adjustment without notice.
